Passports must be produced when collecting rider numbers.

Guidelines for Turnout in Mountain & Moorland ridden classes: -

- Bridles should be plain and workmanlike.
- Plain browband – metal or clincher are permitted but some judges don’t like them (NB: brass was traditionally for stallions)
- Either no numnah or one which is discreet and matches the horse and saddle
- No boots or bandages
- Brown or black tack – brown is preferred by traditional judges and is always correct in the show ring
- Snaffle bridle for novice classes
- Double bridle or pelham for open classes
- Straight cut or working hunter saddles show more of the horse’s shoulder and movement, so are preferable to GP saddles
- Manes, tails and feathers may be pulled/trimmed in some breeds, according to the breed society’s specifications
- Quarter markers are not correct for native ponies
- In-hand Classes - horses and ponies should be shown in a suitably fitting bridle/headcollar/halter
